

June Newsletter 2018

Dear Parents,

As we move forward into the June the end of the academic year is approaching fast. Many of our children will be leaving Horizon Kids Nursery and moving onto 'big school'. We wish them good luck for the next chapter of their journey and hope that they take many happy memories with them. There is a request from your child on the next page...please help them!

Please refer to the dates to remember as it becomes a very busy time of year. If you are planning on leaving before the end of term please inform your child's class teachers in writing so that she is able to gather together all your child's work. Reports will be sent home on June 28th. If you leave before this date your child's report will be emailed to you the following week and you can collect the original once you return after your holiday.

Have a wonderful and safe Eid and summer holiday!

Learning

As we enter June and thoughts move to summer holidays the children will be looking at Transport and Holidays. Through these topics the children will be able to plan a holiday, decide how they will travel there, plane... and who they will need to help them pilot, travel agent... There will be plenty of opportunities for the children to use previous knowledge of the countries they are from and the people that they might go and visit.
