

February Newsletter

Dear Parents,

Another month has flown by and now here we are in February. The weather is very pleasant and we, here at Horizon Kids Nursery, are taking every opportunity to be outside in the fresh air.

During the month of February the children will be looking at Dinosaurs followed by Mini Beasts and the visit from Poshpaws Petting Farm and after half term we will look at People Who Help Us.

Through these topics the children will begin to learn a sense of time as we refer back to 'long ago' with the Dinosaurs. They will look at pattern, shape and colour as they look closely at different Mini Beasts, and ask the question why is a spider not an insect? During our topic on People Who Help Us the children be encouraged to talk about where they live, and who they meet in their community. The different jobs that people do and how they help us. We will be having a visit from a Dentist and our Doctor who will talk to the children about what their job entails and the importance of good hygiene!

The staff take many photographs of the children so please follow us on Facebook to see what they have been up to!
